EXPRESSION PREPARATORY ACADEMY

WEST VIRGINIA CAMPUS APPENDIX

Appendix B to the Student and Family Handbook, 2026-2027 School Year

1. Purpose and Scope

This appendix supplies the Huntington, West Virginia campus-specific information referenced throughout the Student and Family Handbook, including academic offerings, grading and class rank procedures, diploma pathway availability, and campus attendance logistics. It is Appendix B to the Student and Family Handbook and does not modify the Handbook, which remains the controlling document for School policy.

2. Educational Model

The Huntington campus operates as a State of West Virginia Microschool, registered in accordance with West Virginia Code Chapter 18-8-1 and related provisions, providing personalized, relationship-centered education through small learning communities.

3. Attendance, Campus Logistics

The excused and unexcused absence schedule in Section IV of the Student and Family Handbook, and the West Virginia truancy notice and reporting requirements in Appendix I, govern student attendance at the Huntington campus and are not restated here.

4. Basketball Program

Expression Preparatory Academy's basketball program is administratively based at the Huntington campus, but is open to enrolled students from either campus; membership in the program does not depend on a student's campus of academic enrollment. Team rules, eligibility requirements, travel procedures, practice expectations, and coach communication procedures for the basketball program are set out in Appendix D, the Athletics Handbook. NIL, public image, media, digital conduct, third-party contact, and sports wagering provisions specific to the basketball program are set out in Appendix F, the Student-Athlete Public Image, Media, and Digital Conduct Policy.

5. International Student-Athlete Relocation Cost Recoupment Agreement

For an international student-athlete who relocates to the Huntington campus to participate in the basketball program, the International Student-Athlete Relocation Cost Recoupment Agreement is Attachment 1 to this Appendix B. That Agreement is signed separately by the family, as it creates a financial obligation on the parent, guardian, and local guardian and is not part of the general Handbook Acknowledgment. It applies only where the School has actually incurred relocation costs on the student's behalf, and does not modify, and is not modified by, this Appendix or the Student and Family Handbook.

6. Mandatory Reporter Statute

All Huntington campus staff are mandatory reporters under West Virginia Code Section 49-2-803, which requires the immediate reporting of suspected child abuse or neglect to the appropriate state authorities. This obligation cannot be waived by any School policy or family request, and is stated in full in Section VII of the Student and Family Handbook.

7. Relationship to Other Governing Documents

This appendix is Appendix B to, and does not modify, the Student and Family Handbook or the applicable Enrollment Agreement and Tuition Contract for the Huntington campus. Where any conflict arises, the Student and Family Handbook and the applicable Enrollment Agreement control.
